

In Italy we say <<Natale con i tuoi>> that means <<Christmas with your family>> and Osai for everyone means family.

The most beautiful time of the year is here and in Osai you can feel the holiday spirit! Also this time Mr. Osai has something to tell us about this...

 **Osai** Christmas 2018

That's why every year we choose a night to celebrate Christmas all together. During these 26 years so much things have changed... I remember first parties: everyone cooked his signature dish! Today we are 150 people, but Osai's spirit never change...

And with us grow up also our events! This year we'll have the honour to receive two special guests! Can't wait for this?

On December 21th you will take part to a great night! Together we'll do some considerations about 2018, an year of great goals and we will cheer to future achievements with news, awards, entertainment and special surprises

...everything completed by a great dinner and so much music!

SEE YOU NEXT YEAR...
